

Conference Exclusions

- Meetings necessary to carry out statutory oversight functions related to PPPL operations and/or programs. **Examples:** investigations, inspections, audits, site visits.
- Meetings to consider DOE internal agency business matters held in federal or contractor facilities, that are related to the Laboratory's or the agency's regular business. **Examples:** Annual OFES FWP meeting, Project Review meeting, Project Kick-off meeting, etc.
- Meetings under Bi-Lateral and Multi-lateral international cooperation engagements that do not exhibit indicia of a formal conference. **Examples:** ITER Project meetings, Max Planck Princeton Center, JET, etc.
- Formal classroom training held in government facilities which do not exhibit indicia of a formal conference. Includes regular courses of training at the National Training Center, etc.
- Classroom training available through Federal and commercial sources required as part of a certification program and for the performance of an employee's position which does not exhibit indicia of a formal conference.
- Meetings such as Advisory Committee and Federal Advisory Committee meetings, Funding Opportunity Announcements Review Board meetings, peer review meetings, program kick-off and review meetings.
